Labelling and Safety Solutions

Steel Partitioning - Single Skin

This system is an ideal solution when a high quality, economical partitioning system is required for manufacturing and storage areas.

Single skin partitioning panels are constructed from 43 x 43 x 1.2 mm (18g) cold rolled angles and 32 x 32 x 0.7mm (22g) cold rolled tee bars with 0.8mm (21g) CR4 mild steel or 50 x 50 x 3mm (10g) weldmesh sheets spot welded into the framework.

We produce fully detailed layouts for any proposal prior to the commencement of work.

Standard panel sizes

Height	2400, 2700, 3000mm
Width	1000mm
Dado Height	1200mm
Thickness	43mm

A range of infill and special size panels can be supplied to maintain final dimensions.

Glazing

6mm toughened and 6.4mm laminated are supplied as standard. However, other types of glass and Perspex may also be fitted as required.

Paint finish

All panels are electrostatically powder-coated in the following standard colours: Grey 10 A 07, Grey 00 A 05, Sandstone 08 B 17 and Stone 10 B 17. Special colours (more than 100 in stock) are available at extra cost.

Accessories

A comprehensive range of accessories, including drop-down and sliding hatches, louvres, vents and locking systems are available to order.

Major galvanised mesh partitioning - 1" x 1" and 2"x 2"

We supply major galvanised mesh partitioning systems that offer the ideal solution when a well-ventilated, secure area is required.

CARBON ACTION

INVESTOR IN PEOPLE

asg SERVICES

"Our vision is to be the supplier of choice for warehouse and industrial identification, safety systems and associated products, by offering clients a quality-driven, total solution via multi-channel procurement methods."

Tony Gresty | Managing Director – ASG Services

Labelling and Safety Solutions

About us

At ASG Services we have gained an excellent reputation for providing the most appropriate labelling and safety products to meet the specific requirements of our customers.

By providing a range of products in each of our specialist fields we are able to provide the optimum solution for every client from one source.

From our beginning over fifteen years ago we have been constantly developing our products and services.

We have a considerable depth of knowledge in all labelling and industrial floor marking and painting systems specific to the warehousing and distribution industries.

Our success in developing line marking to provide personnel segregation systems, is complemented by our other safety solutions which include internal security mesh, safety signage, plus barrier and column protection.

Our unique product and service offering is very attractive to companies looking to satisfy all their needs from a single source.

- Location Labels
- Floor Marking
- Block Stack Solutions
- Machine Guarding
- Safety Signs
- Label Holders
- Safety Barriers
- Installation
