

Instant-Cure UV Line Marking

Downtime costs money. Discover a better way - we are proud to be able to offer a complete range of revolutionary instant floor coating.

Our instant floor coatings bring the evolutionary benefits of UV technology to the warehouse floor, delivering an immediate cure that allows manufacturers to return to normal operations - even heavy fork lift traffic - in just hours instead of days.

The benefits:

- Dries instantly - minimised downtime
- Zero VOC's making it ideal for food environments
- No solvents
- NSF certified food safe
- Skid- and tire-mark resistant
- Chemical- and stain-resistant
- Guaranteed non-flammable
- Low odour
- Available in a range of colours
- Can be applied in chillers or freezers with temperatures as low as -26 °C

Labelling and Safety Solutions

About us

At ASG Services we have gained an excellent reputation for providing the most appropriate labelling and safety products to meet the specific requirements of our customers.

By providing a range of products in each of our specialist fields we are able to provide the optimum solution for every client from one source.

From our beginning over fifteen years ago we have been constantly developing our products and services.

We have a considerable depth of knowledge in all labelling and industrial floor marking and painting systems specific to the warehousing and distribution industries.

Our success in developing line marking to provide personnel segregation systems, is complemented by our other safety solutions which include internal security mesh, safety signage, plus barrier and column protection.

Our unique product and service offering is very attractive to companies looking to satisfy all their needs from a single source.
